CROWCHILD TWIN ARENA IS PROUD TO SPONSOR ITS ANNUAL HOCKEY SCHOOL

The success of our program is largely based on the expertise of our excellent instructors. We are extremely fortunate to have a dedicated staff working to develop our program. Our instructors have been involved at all levels as both players and coaches.

The key to our program is quality instruction coupled with limited class size of only 30 players per group. Our on ice student/teacher ratio enables each player the opportunity to excel. Graduates of our CROWCHILD program together with various Northwest Warriors Hockey Association coaches and volunteers; provide extremely energetic and knowledgeable support for our head instructors.

The program will consist of specifically designed sessions for each age group from 5-12 years. Skill and scrimmage sessions will be fun and exciting—with an emphasis on learning.

Students participating in our hockey school will be exposed to all aspects of the game. On-ice workouts will include power skating, puck control, shooting and passing, coupled with positional play.
